

USA BADMINTON SOUTHERN BADMINTON ASSOCIATION

2005 REGIONAL COACHING CONFERENCE

In line with the new high performance plan, the regions have been identified as the “home of future USA Badminton Olympians.” The regions have a big role in developing a huge base of athletes, which will involve links with individuals, schools and the general community. In short, the region’s task is a huge one, which will involve promoting badminton, educating coaches and developing talent.

The key to a large base of quality players is having knowledgeable coaches. As a result, USA Badminton has planned to have a bi-annual regional coaching conference that will alternate with a national coaching conference.

In the first series of coaching conferences, USA Badminton and Southern Badminton Association (Region 3) would like to invite people who are keen to be coaches to register for this coaching conference. Level 1 coaches who have not attended a face-to-face course and Level 2 coaches who attended courses 2 years ago are also welcome to attend as a refresher course.
