A - Temporary game lines can be laid out using 3M* #2070 White Marking Tape. It is available in 3/4" and 2" widths. Another choice is 3M #471 Vinyl Marking Tape. It is available in a number of colors and sizes. Always ensure that the finish coat on the sports floor has cured out a minimum of 30 days before applying temporary game lines. Do not allow temporary game line tape to remain on the floor longer than 30 days. Do not use duct tape, athletic wrapping tape, masking tape, Scotch* tape, or medical tape to mark temporary game lines.
